

# Evolutionary Approaches to Disease and Health

## Registered Attendees

Alex Alvergne  
University College London

Jo Archer  
Queen Mary University

Nicole Bender  
University of Bern

Renato Bender  
University of the Witwatersrand

Mark Booth  
Durham University

Rodney Brittan  
NHS

Amanda C de C Williams  
University College London

Shama Chaudhary  
University of Manchester

Stephanie Christopherson  
Brunel University

Paul Coombes  
London Business School

Gillian Cooper  
Durham University

Olga Coschug-Toates  
Open University

Julie Coultas  
University of Sussex

Helena Cronin  
London School of Economics

Henrietta De Silva  
Brunel University

Michael DeBarra  
Lon. School of Hygiene & Tropical Medicine

Hannah Devlin  
*The Times*

Kate Douglas  
*New Scientist*

Robin Dunbar  
University of Oxford

James Dunn  
Brunel University

Michael Farrer  
Brunel University

Diana Fleischman  
Lon. School of Hygiene & Tropical Medicine

Mhairi Gibson  
Bristol University

Simon Gilbody  
University of York

Ana Gomez-Carrillo de Castro  
Charité - Universitätsmedizin Berlin

Robin Goodwin  
Brunel University

Ben Griffith  
General Medical Council

Jon Hodgson  
University of Oxford

Sian Hopkins  
Brunel University

Lauren Houghton  
Durham University

Dieneke Hubbeling  
University of East London
