Brunel
UNIVERSITY
WEST LONDON

BRUNEL UNIVERSITY
SCHOOL OF ENGINEERING AND DESIGN

Computing Officer (Research Support) – Vac Ref No DCL0182/1

Applications are invited for the above permanent, full-time post based at the Uxbridge Campus. The postholder will be responsible for the day-to-day support for the Brunel University and Royal Holloway nodes of the PPARC funded GRIDPP London Tier2 Centre. In particular this will involve installation, maintenance and monitoring of the local Unix clusters at Brunel and RHUL. The postholder will also be responsible for supporting other clusters based in the School of Engineering and Design at Brunel, and for providing general research support where appropriate.

The ideal candidate will be of graduate calibre with substantial relevant experience within a computing support environment, ideally within Higher Education sector. Knowledge of Linux and Solaris, and of installing and working with clusters is also essential. Regular travel to Royal Holloway will be a requirement for this post.

This position is available immediately.

The salary is within the Academic Related 2 scale, £22,507 to £29,128 per annum plus £1,990 per annum London Weighting.

Further details of the GRIDPP Project can be found at: http://www.gridpp.ac.uk/ Informal enquiries regarding this post can be made to Dr Peter Hobson (peter.hobson@brunel.ac.uk) or Dr Paul Kyberd (paul.kyberd@brunel.ac.uk)

*For a downloadable application form and further details please visit the Brunel Web pages on www.brunel.ac.uk. Alternatively email to address below quoting the vacancy reference number and the post title in the subject line. Closing date for receipt of applications will be **Thursday 5 May 2005.***
