

# Changes to the paper version of the programme

The web version of the programme is the latest version of the programme and is available at the following URL

[http://people.brunel.ac.uk/~icstmkw/mafelap2016\\_abstracts/mafprog16.pdf](http://people.brunel.ac.uk/~icstmkw/mafelap2016_abstracts/mafprog16.pdf)

The following list gives the differences between that version and the one we printed on Monday 6th June which are in the packs that all participants are given.
