

Changes to the paper version of the programme

The web version of the programme is the latest version of the programme and is available at the following URL

http://people.brunel.ac.uk/~icstmkw/mafelap2016_abstracts/mafprog16.pdf

The following list gives the differences between that version and the one we printed on Monday 6th June which are in the packs that all participants are given.

Changes affecting Friday

Talks moved

Fri0945, LECT064 → Wed1635, LECT061

Alvarez, Mario (Mini-Symposium: Numerical methods for viscous flow in porous media).

Fri1515, LECT064 → Wed1725, LECT061

Caucao, Sergio (Mini-Symposium: Numerical methods for viscous flow in porous media).

Fri0855, LECT067 → Fri1010, LECT067

De Vuyst, T. (Mini-Symposium: Development and application of meshless methods).

Fri1400, LECT064 → Wed1610, LECT061

Discacciati, Marco (Mini-Symposium: Numerical methods for viscous flow in porous media).

Fri1010, LECT261 → Fri0945, LECT261

Ganesan, Sashikumaar (Mini-Symposium: Finite element methods for PDEs in time-dependent domains).

Fri0945, LECT063 → Fri0830, LECT063

Liu, Xuefeng (Mini-Symposium: PDE Eigenvalue problems: computational modeling and numerical analysis).

Fri1450, LECT064 → Wed1700, LECT061

Mora, David (Mini-Symposium: Numerical methods for viscous flow in porous media).

Fri1425, LECT064 → Fri0945, LECT064

Rybak, Iryna (Mini-Symposium: Numerical methods for viscous flow in porous media).

Fri0830, LECT063 → Fri0945, LECT063

Schmidt, Kersten (Mini-Symposium: PDE Eigenvalue problems: computational modeling and numerical analysis).

Fri0945, LECT261 → Fri0920, LECT261

Srivastava, Shweta (Mini-Symposium: Finite element methods for PDEs in time-dependent domains).

Fri1010, LECT067 → Fri0855, LECT067

Vignjevic, Rade (Mini-Symposium: Development and application of meshless methods).

Talks withdrawn

Fri0920, LECT065

Gardini, Francesca (Mini-Symposium: Stable FEMs with applications).

Fri0920, LECT261

Kyza, Irene (Mini-Symposium: Finite element methods for PDEs in time-dependent domains).

Fri1540, LECT064

Oyarzúa, Ricardo (Mini-Symposium: Numerical methods for viscous flow in porous media).
