Citizenship: USA and UK

Academic Positions

- 2013- Senior Lecturer in Psychology, **Brunel University London** ('Senior Lecturer' in UK is equivalent to 'Associate Professor' in North America)
- 2006-13 Lecturer in Psychology, **Brunel University London**
- 2005-06 Visiting Lecturer of Organizational Behavior, Olin School of Business, **Washington University in St. Louis**
- 2003-05 Postdoctoral Fellow (advisor: Elinor Ostrom), jointly sponsored by the **Indiana University-Bloomington** Workshop in Political Theory and Policy Analysis, and the **Santa Fe Institute**

Education

- 2003 Ph.D., Biosocial Anthropology, Center for Evolutionary Psychology, **University of California, Santa Barbara, USA**
- Committee: John Tooby (Chair), Leda Cosmides, Donald Symons, Donald Brown
 - Psychological research in Ecuador, Venezuela, and California
- 1995 B.A. *cum laude*, Psychology, **Duke University**, Durham, NC, USA (1994 semester abroad, **University of Edinburgh**, UK)

Publications

Book:

- 2019 Georgiev G., Martinez C., Price M. E., Smart J. (Eds.). *Evolution, Development and Complexity: Multiscale Evolutionary Models of Complex Adaptive Systems*. Springer Publishing.

Journal articles:

- 2018 Price M. E., Launay J. Increased well-being from social interaction in a secular congregation. *Secularism and Nonreligion*, 7(1).
- 2017 Price M. E., Sheehy-Skeffington J., Sidanius J., Pound N. Is sociopolitical egalitarianism related to bodily and facial formidability in men? *Evolution and Human Behavior* 38: 626-634.

- 2008 Johnson D. D. P., Price M. E., Takezawa M. Renaissance of the individual: Reciprocity, positive assortment, and the puzzle of human cooperation. In C. Crawford & D. Krebs, (Eds.), *Foundations of Evolutionary Psychology* (pp. 331-352). New York: Lawrence Erlbaum.

- 2005 Hagen E. H., Price M. E., Tooby J. A Preliminary Report on *Darkness in El Dorado*. In M. Endicott & R. L. Welsch (Eds.), *Taking Sides: Anthropology* 3rd edition (pp. 355-365). Guilford, CT: McGraw-Hill/Dushkin.

Reviews, Commentaries, and Online Articles

- 2011-present Forty-eight articles for *Psychology Today*, over 763,000 total views as of April 2019.
- 2013-present Fourteen articles for *This View of Life* (The Evolution Institute's online magazine).
- 2015 Price, M. E. Review of *Applied evolutionary anthropology: Darwinian approaches to contemporary world issues*, M. A. Gibson and D. W. Lawson, Eds. *American Anthropologist* 117:426-427.
- 2010-2013 Twenty 'Natural Law' columns on evolutionary psychology and financial services, published every two months in banking magazine *Global Custodian*.
- 2013 Pound N., Price M. E. Human sex differences: Distributions overlap but tails sometimes tell a tale. Commentary on: S. Stewart-Williams & A. Thomas, The ape that thought it was a peacock: Does evolutionary psychology exaggerate human sex differences? *Psychological Inquiry* 24: 224-230.
- 2012 Price M. E. A distinct theory of biological group selection is unnecessary (although multilevel selection occurs). Commentary on essay by Steven Pinker, posted at Edge.org: <http://edge.org/conversation/the-false-allure-of-group-selection#mp>
- 2012 Price M. E. Group selection theories are now more sophisticated, but are they more predictive? (Review of *A cooperative species: Human reciprocity and its evolution* by S. Bowles & H. Gintis). *Evolutionary Psychology* 10: 45-49.
- 2011 Price M. E. Acting in your own selves interests. (Review of *Why everyone [else] is a hypocrite* by R. Kurzban). *Journal of Evolutionary Psychology* 9: 271-273.
- 2009 Price M. E. How Christian beliefs harness Darwinian cooperative instincts. *The Global Spiral* 10:2 (April).
- 2008 Price M. E. The resurrection of group selection as a theory of human cooperation. (Essay-length review of two books on the evolution of cooperation). *Social Justice Research* 21: 228-240.
- 2007 Price M. E., Brown W. M., Curry O. S. The integrative framework for the behavioural sciences has already been discovered, and it is the adaptationist approach. *Behavioral and Brain Sciences* 30: 39-40.
- 2007 Brown W. M., Price M. E. Evolutionary psychology *sensu lato*. (Review of *Oxford Handbook of Evolutionary Psychology*, R. Dunbar & L. Barrett, Eds.). *Journal of Evolutionary Psychology* 5: 235-240.
- 2007 Price M. E. Review of *Mind and Religion: Psychological and Cognitive Foundations of Religiosity*, H. Whitehouse & R. M. McCauley, Eds. *Journal of the Royal Anthropological Institute* 13: 1046-1047.

Recent Conferences, Meetings & Invited Talks

- 2019 (July) The evolution of religious optimism. International Research Network for the Study of Science and Belief in Society, 1st annual conference. University of Birmingham, UK.
- 2019 (April) Invited participant, 2nd annual meeting of Evolutionary International Relations Group, University of Oxford, UK.
- 2019 (Jan.) Why is human nature so religious? Invited speaker at 'Belonging and Community without Religion' conference, co-sponsored by Humanists UK, Sunday Assembly, and New Unity. London.
- 2018 (Sept.) Presented two invited talks over four days: 'Evolutionary psychology: Challenges and controversies' and 'A purpose-saturated universe? The mental simulation of design, in biology and beyond'. Ecology and Evolution Research Centre, University of New South Wales, Sydney, Australia.
- 2018 (July) Invited participant, 1st annual meeting of Evolutionary International Relations Group, University of Oxford, UK.
- 2018 (March) Consultations on the Social Scientific Study of Science and Religion, Templeton Religion Trust/The Issachar Fund. Nassau, the Bahamas.
- 2017 (Dec.) Price, M. E. The service-for-prestige framework of leader-follower relations. Invited speaker at Jepson Colloquium: Evolutionary Models of Leadership Across Human Society. University of Richmond, VA, USA.
- 2017 (Oct.) Co-convener, Social Scientific Study of Science and Religion workshop, Templeton Religion Trust/The Issachar Fund. Los Angeles.
- 2017 (Sept.) Price M. E. Entropy and selection: Life as an adaptation for universe replication. Invited plenary address at 'Evolution, Development and Complexity' satellite meeting. Conference of Complex Systems, Cancun, Mexico.
- 2017 (May) Consultations on the Social Scientific Study of Science and Religion, Templeton Religion Trust/The Issachar Fund. New York City.
- 2017 (April) Ford K., Price M. E., Launay J., Pound N. Income, economic inequality and religiosity in the USA. European Human Behaviour & Evolution Association, Paris.
- 2016 (Nov.) The evolution of religion: Is it adaptive to believe in a higher power? Dorset Humanists, Bournemouth, UK.
- 2016 (June) Is religiosity an adaptation? Social and Evolutionary Neuroscience Research Group, University of Oxford, UK.
- 2016 (June) The evolution of religion: Is it adaptive to believe that God's on your side? Bath Royal Literary and Scientific Institution, Bath, UK.
- 2016 (Jan.) Sheehy-Skeffington J., Sidanius J., Price M. E. Decision-making at the bottom of the hierarchy: The cognitive impact of perceiving oneself as low in socioeconomic status. Society of Personality and Social Psychology (Pre-Conference on the Emerging Psychology of Social Class), San Diego, CA.
- 2015 (Dec.) The evolution of morality. Skeptics in the Pub, Worthing, UK.

- 2015 (May) Price M. E., Kern A., Ruffell M., Van Vugt M. The evolution of leadership: Tests of the service-for-prestige theory. Human Behavior and Evolution Society, Columbia, MO, USA.
- 2015 (Feb.). Human sexual morality: An evolutionary view. Human Sciences Symposium, University of Oxford, UK.
- 2014 (Nov.) Conflict is the mother of morality. Keynote address, LERN (London Evolutionary Research Network) conference 2014. Queen Mary University, London.
- 2014 (July) Price M. E, Pound N., Sidanius, J. Bodily and facial formidability as predictors of male egalitarianism. Human Behavior & Evolution Society, Natal, Brazil.
- 2014 (June) An evolutionary approach to encouraging cooperation. Invited presentation, Individual Interests and Collective Values workshop. Royal Society for the Arts (RSA) House, London.
- 2013 (July) Price M. E, Pound N., Scott I. Female economic dependence and the morality of promiscuity. Human Behavior & Evolution Society, Miami, FL, USA.
- 2013 (June) An individual-level perspective on evolutionary moral psychology. Invited seminar, University of Bath, UK.
- 2013 (May) Panel participant, 'Testosterone Traders, Psychopaths and Muppets'. Future of Finance Conference, University of Oxford, UK.
- 2013 (April) Studies in evolutionary moral psychology. Invited seminar, Royal Holloway University, UK.
- 2013 (March) Price M. E, Pound N., Scott I. Female economic dependence and the morality of promiscuity. European Human Behaviour & Evolution Association, VU Univ. Amsterdam.
- 2012 (Sept.) Hong J., Kang J., Price M. E. Gait analysis and identification. 18th International Conference on Automation and Computing (ICAC), Loughborough University, UK.
- 2012 (Jan.) The evolutionary origins of moral beliefs. Invited seminar, Roehampton University, UK.
- 2011 (Dec.) Evolution at work: Human nature and organizational behaviour. Invited seminar, Saïd Business School, University of Oxford, UK.
- 2011 (Nov.) Evolution at work: Evolutionary psychology and organizational cooperation. Invited seminar, London Business School, UK.
- 2011 (March) The altruism-for-prestige theory of leader-follower relations. *Biological Foundations of Organizational Behavior* conference, National University of Singapore.
- 2011 (Feb.) The evolution of human mate preferences. Brunel Public Lecture Series 2011. Presented to public audience of about 300. Brunel University London.
- 2010 (Oct.) Price M. E. Psychopathy in banks. 'Evolutionary Psychology and the City' Roundtable, Centre for the Study of Financial Innovation, London.

- 2010 (Oct.) Price M. E. Are bankers psychopaths? Plenary address, Financial Services Knowledge Transfer Network 'Risk and Behaviour' Conference, London.
- 2010 (Sept.) Price M. E. Why are bankers so unpopular? 'What Evolutionary Psychology Can Teach Us About Human Behaviour in Financial Markets' seminar, London.
- 2010 (June) Price M. E. Psychological adaptation and organizational adaptability. Operational Adaptation Conference, Edinburgh, Scotland.
- 2010 (April) Price M. E. The effects of individual formidability of political attitudes. Political Studies Association Annual Conference, Edinburgh, Scotland.
- 2010 (Jan.) Price M. E. The evolutionary psychology of compensation and perceived fairness. Conference on Evolutionary Approaches to Leadership, Management, and Organizational Performance, London Business School, UK.
- 2009 (Dec.) Price M. E. Studies in adaptationist moral psychology. Vrije Universiteit, Amsterdam, the Netherlands.
- 2009 (April) Price M. E. Self-sacrifice in war: Evidence of group selection? Conference on Intergroup Aggression, Security and Terrorism, University of Edinburgh, Scotland.
- 2008 (Aug.) Price M. E. Gender differences in perceived equity: Females are more other-regarding than males. Academy of Management Annual Meeting, Anaheim, CA, USA.
- 2008 (June) Takezawa M., Price M. E. Revisiting 'the evolution of reciprocity in sizable groups'. Human Behavior and Evolution Society, Kyoto, Japan.
- 2008 (April) Price M. E., Brown W. M., Curry O., Johnson D., Price J., Takezawa M. Equity theory's perspective on cooperation in groups: Due for an evolutionary upgrade? European Human Behavior and Evolution Association, Montpellier, France.
- 2008 (April) Brown W. M., Price M. E., Kang J., Badi B., Zhao Y., Yassin S., Johnson D. Detecting reliable signals of male altruistic effort. European Human Behavior and Evolution Association, Montpellier, France.
- 2008 (Feb.-March) Invited participant, Behavioral Ethics Workshop, University of Central Florida, Orlando, FL, USA.
- 1997-2007** **Thirty-seven additional presentations in the USA (24), UK (4), Canada (2), Japan (2), Germany (2), Hungary (1), France (1), and Netherlands (1).**

Other Professional Activities

- 2018-present Advisory Board member, Religion and Science Network (joined Dec. 2018)
- 2013-present Editor, Morality Section, *Evolution: This View of Life* magazine (from July 2013)
- 2013-2018 Editorial Board, *Journal of Evolutionary Psychology* and *Evolution, Mind and Behaviour* (from Jan. 2013 until July 2018; journal's title changed in 2015)
- 2004-present **Reviewer for:**

Journals: *American Journal of Political Science*, *American Political Science Review*, *Body Image*, *Complexity*, *Current Biology*, *European Journal of Personality*, *European Journal of Social Psychology*, *European Psychologist*, *Evolution and Human Behavior* (16 articles), *Evolutionary Psychology* (six articles), *Evolutionary Psychological Science* (three articles), *Frontiers in Human Neuroscience*, *Human Nature*, *Journal of Evolutionary Psychology* (two articles), *Journal of Organizational Behavior*, *Journal of Personality and Social Psychology*, *Journal of Sex Research* (six articles), *Journal of Social, Evolutionary, and Cultural Psychology*, *Mankind Quarterly*, *Mind and Language*, *Nature*, *Organizational Behavior & Human Decision Processes* (two articles), *Personality and Individual Differences*, *Political Psychology* (three articles), *PLoS ONE* (three articles), *Proceedings of the Royal Society B: Biological Sciences* (three articles), *Research in Economic Anthropology*, *Social Cognition*

Publishers: McGraw-Hill, Pearson, SAGE, Wiley-Blackwell, Palgrave Macmillan, Cambridge University Press, White Rose University Press.

Funding bodies: UK Economic and Social Research Council (ESRC; two proposals); Social Sciences and Humanities Research Council of Canada (two proposals); Faraday Institute for Science and Religion (Cambridge University); John Templeton Foundation (one proposal and one completed project); University of Antwerp; Leverhulme Trust

Funding & Awards

- | | |
|------|--|
| 2017 | Co-convener (with D. Johnson, Oxford) of Social Sciences Group, Consultations on the Social Scientific Study of Science and Religion. Templeton Religion Trust/The Issachar Fund, US\$49,000. |
| 2016 | Funding from Brunel for 2016/17 International Seminar Series: 'Building a More Functional Society: Evolution, Culture, and Well-being'. £2,500. |
| 2014 | Mentor to Dr Jennifer Sheehy-Skeffington, recipient of three-year British Academy Postdoctoral Fellowship (2015-2018) to conduct research at Brunel on the psychology of low socioeconomic status. £303,949. |
| 2012 | Funding from Brunel for 2012/13 International Seminar Series: 'The Evolution of Moral Cultures' (co-applicant: Prof. Robin Goodwin). £2,498. |
| 2010 | Principal Investigator, grant from the Financial Services Knowledge Transfer Network (funded by ESRC and Technology Strategy Board) for 'Banker Psychopathy' project. £1,629. |
| 2010 | Co-investigator, Catalyst Grant from the UK Medical Research Council on the Environmental and Social Ecology of Human Infectious Diseases. £47,000. PI: Robin Goodwin (Brunel). |
| 2008 | Core academic participant, 'Darwin's medicine: Evolutionary psychology and its applications'. ESRC Research Seminars Competition. £14,530. PIs: R. Dunbar (Oxford) and M. Van Vugt (Kent). |
| 2007 | Co-investigator, "Isolating the poker face: Motion-capturing facial movement in a face-to-face social interaction." Small Research Grant, British Academy. £6,400. PI: W. Brown (Brunel). |

- 2004 Postdoctoral Research Award (1st place): Monitoring, reputation and “greenbeard” cooperation in a Shuar workgroup. Human Behavior & Evolution Society, Berlin, Germany.
- 2001 New Investigator Award (2nd place): Punitive sentiment as an anti-free rider psychological device. Human Behavior and Evolution Society, London, UK.
- 1999 Best Poster Award (1st place): Parental investment and child health in a Yanomamö village. Human Behavior and Evolution Society, Salt Lake City, UT (with E. Hagen, R. Hames, N. Craig, M. Lauer).
- 1997-2001 Jacob K. Javits Fellow. PhD fellowship competition administered by U.S. Department of Education. Five years of tuition and fees at UC Santa Barbara, plus annual stipend.

Teaching

PhD supervision: First supervisor for Mark Iruayenama (awarded PhD in Nov. 2016); Amy Monroe (expected to file in 2019); Kathryn Ford (Expected to file in 2019).

- 2010-present Convener and main lecturer, *Evolutionary Psychology*, Brunel (Upper level UG option)
- 2008-2017 Convener and main lecturer, *Evolutionary Psychology*, Brunel (MSc seminar)
- 2008-2011 Guest lecturer in two Brunel MSc seminars: *Evolutionary Biology* and *Research Methods*,
- 2006-10 Convener and main lecturer, *Statistics and Research Methods I and II*, Brunel University (two-term module, about 200 undergraduates)
- 2006-08 Guest lecturer on evolutionary psychology for the *Main Currents in the Human Sciences* and *Foundations of Psychology*, Brunel University
- 2006 Convener and main lecturer, *Organizational Behavior within the Firm*, Olin School of Business, Washington University in St. Louis (two sections, about 70 students each)
- 2005 Guest lecturer on evolutionary psychology and social exchange, Ph.D. seminar in Organizational Behavior, Olin School of Business, Washington University in St. Louis
- 2003 Guest lecturer on evolutionary psychology, Ph.D. Seminar on collective action, Workshop in Political Theory and Policy Analysis, Indiana University, Bloomington, IN
- 2002 Convener and main lecturer, *The Evolution of Human Sexuality*, University of California, Santa Barbara (upper-level undergraduate class, about 100 students)
- 1996-2002 Teaching assistant, University of California, Santa Barbara. Eight quarters of teaching assistantships in five different courses in anthropology and psychology

Leadership, Administrative and Organizational Experience

Main leadership roles at Brunel University:

- 2018-present Convener, MSc in Culture and Evolution; Director, exchange programme between Brunel Psychology and the University of California.

- 2017-2018 Psychology National Student Survey (NSS) Champion; British Psychological Society (BPS) liaison.
- 2015-2017 Director, Centre for Culture and Evolution. One of three new research centres at Brunel College of Health and Life Sciences (from autumn 2015).
- 2011-2016 Deputy Head of Psychology (Nov. 2011 – June 2016). Active leadership role in wide range of activities involved in managing a psychology department.
- 2009-2015 Co-Director, Centre for Culture and Evolutionary Psychology. Direct Centre activities related to evolutionary psychology, such as organizing public lectures (e.g. Profs. Steven Pinker [2012], Richard Wrangham [2011], Martin Daly [2010]). Creation and maintenance of Centre website.
- 2010-2011 Director of Undergraduate Programmes, Department of Psychology.

Other administrative roles at Brunel University:

- 2014-present University ESRC (Economic and Social Research Council) Peer Review Panel.
- 2014-2015 Member of Online Assessment Working Party (to develop practice of online assessment at Brunel).
- 2013-2014 Website Editor, Psychology Department (from Jan. 2013).
- 2011-2013 Task force to redesign Brunel School of Social Sciences website.
- 2007-10 Convener, Psychology Department Research Participation Pool.
- 2007-08 Deputy chair, committee to redesign Psychology undergraduate programmes.

Conference organization:

- 2010 Lead organizer, 'What Evolutionary Psychology Can Teach Us About Human Behaviour in Financial Markets' conference, 21 Sept. 2010, Linnean Society, London, UK.
- 2010 Co-organizer, 'Operational Adaptation' Conference, 22-25 June 2010, University of Edinburgh, Scotland, UK.
- 2010 Lead organizer, 'Evolutionary Approaches to Disease and Health' conference, 19 March 2010, Brunel University. Part of 'Darwin's Medicine' ESRC Seminar Series.
- 2004 Organizer and Chair, "Cooperation and Punishment" symposium. Human Behavior and Evolution Society Conference, July 2004, Berlin, Germany.

Media Coverage

- 2018 (July) Guest on 2nd July edition of *The Why Factor* (BBC World Service), discussing the origins an nature of human status striving.

- 2017 (July) Co-wrote 'Life may be a guide to the evolution of the cosmos – here's how' for *The Conversation* (describes my *Complexity* paper for general audience).
- 2017 (May) Guest on 31st May edition of BBC TV show *Daily Politics*, and 25th May edition of *The Moncrieff Show* (Newstalk National Radio, Ireland), to discuss our *Evolution and Human Behavior* paper 'Is sociopolitical egalitarianism related to bodily and facial formidability in men?'. Other media coverage of this paper included *The Times*, *The Independent*, *BBC News*, *The Atlantic*, and *Vice*.
- 2017 (May) Guest on 28th May edition of BBC TV show *The Big Questions*; the topic was 'Does morality come from religion or evolution?'
- 2017 (Jan.) Interviewed for Danish scientific media Videnskab.dk on human mating strategies.
- 2016 (June) Interviewed for CNN article (Senthilingam M., This is the age when you start losing friends, posted 6th June at <http://edition.cnn.com/2016/06/06/health/losing-friends-mid-twenties/>).
- 2015 (Sept.) Interviewed on 15th Sept. edition of the Matt Townsend show, BYU radio, about sources of secular community in modern societies.
- 2015 (Aug.) My video interview with Greg Epstein, Harvard University's Humanist Chaplain, appeared on Meaning of Life TV (meaningoflife.tv).
- 2015 (July) Panel member on 5th July edition of 'Sunday Morning Live', BBC One TV, for debate on whether future genocide is inevitable.
- 2015 (Feb.) Our *Evolutionary Psychology* article ('Bodily attractiveness and egalitarianism are negatively related in males') received international coverage e.g. the *Independent*, *Daily Beast*, *New York Daily News*, *Elle*, other media sites in Netherlands, Mexico, Switzerland, Hungary, Honduras, Germany, Italy, Norway, Belgium, Bangladesh, etc. Live interviews with M. Price on KABC Los Angeles (Doug McIntyre Show), *HuffPost Live* (both 20 Feb.).
- 2014-2015 In Feb. 2015 our *Archives of Sexual Behavior* article ('Female economic dependence and the morality of promiscuity') was covered by *New Scientist* (Macleod M., 'Rules of attraction: 10 biggest love myths exploded', posted 13 Feb.). Our article had earlier (June-July 2014) received international coverage in e.g. the *Times*, *Telegraph*, *Slate*, *NY Magazine*, *The Atlantic*, *The Conversation*.
- 2015 (Jan.) Interviewed for *Daily Mail* article (Carey T., 'The most amazing creatures on the planet...', posted 31 Jan.).
- 2014 (June) Interviewed for *Guardian* article (Cox D., 'Genes that make Luis Suárez impulsive may also make him a great footballer', posted 02 July).
- 2013 (Oct.) Interviewed for CNBC article (Boyle C., What traders have in common with baboons, posted 03 Oct. at www.cnbc.com/id/101083638#).
- 2013 (June) Interviewed by Fiona Woods (BBC Radio 4) for documentary on monogamy.
- 2013 (May) Discussant on *HuffPost Live* segment on sexuality and promiscuity, aired on 03 May 2013 (<http://huff.lv/1336nU9>).
- 2013 (March) Interviewed for CNN article on relatives of murderers (LeTrent S., 'A killer in family', posted 31 March).

- 2013 (Jan.) Interviewed for *Sunday Times* article on polygamy (Angelini F., You can't please all of the wives all of the time. 27 Jan., p. 18).
- 2012 (Feb.) Interviewed for *New Scientist* article on evolution of morality.
